**PROCEDURE ON TRANSFERS**

**TRANSFERS**

To be eligible for transfer from one Chapter to another, a member must be in good standing in the Chapter she is leaving, and must have paid her dues for the current year.

Transfers may be affected for the following reasons:

1. Change of residence.
  2. Personal reasons.
  3. Disbanding of a Chapter.
1. A transfer form is completed by the member listing the chapter where they are a member stating her reason for transferring. It is signed and dated by the member.
  2. The transfer form should be sent to the chapter nearest the member's new address. The form is signed and dated by an officer of the new chapter.
  3. The Chapter receiving such a request shall present it to its members at a regular business meeting to be voted upon.
  4. If the Chapter votes to accept the member as a transfer from another Chapter, the transfer form is then sent to headquarters where the member's file card and original application is pulled and updated.
  5. Member's chapter is changed on the Master Mailing list database.
